ITC, division of Balta Industries nv., floor covering manufacturer, hereby confirms that the products to which this declaration refers, comply with the requirements for building products set out in the Construction Products Directive (CPD; 89/106/EEC December 21st 1988) and the harmonized standard EN 14041:2004 "Resilient, textile and laminate floor coverings – essential characteristics". The products mentioned above meet the requirements for fire class C_{fl}-s1 (glued or unglued) according to the specifications in the harmonized standard and the European test method EN 13501-1.

The products are furthermore in accordance with the requirements set out in the product standard EN 1307. The technical documentations of the products comply with the requirements applicable to them.

Yours sincerely,

José Vandeburie
Marketing Director
